### Aquarius—

When the moon is in the seventh house And Jupiter aligns with Mars, Then peace will guide the planets And love will steer the stars.

This is the dawning of the age of Aquarius, the age of Aquarius, Aquarius, Aquarius.

Harmony and understanding, sympathy and trust abounding, No more falsehoods or derisions, Golden living dreams of vision, Mystic crystal revelation and the minds true liberation.

Aquarius, Aquarius.

# A Voyage Through Education

At precisely 7-39, the bell rings sending the Highlanders to their first class. With a wide range of classes to choose from, Highlanders are able to enjoy a variety of subjects. Boasting many competent teachers, Helix High School opens the door to many students who want to learn

## 'We've Got Spirit—So Let's Hear it!'

Led by the cheerleader squad, the student body of Helix High School cheered our teams on to victory. With the help of the pep band and the Senior Benchwarmers, all Highlanders worked hard at supporting our teams Helix spirit was everywhere—on the tennis courts, the football field, in the gymnasium, and on the baseball field

### 1970—A Year of Involvement

The year of 1970, year of the High-lander sign, was one of many activities and events. Each Highlander participated in these, whether in an assembly, football game, or at the moratorium in the A.S.B. office or at a cross country meet, the Highlander's enthusiasm reaps them many rewards. Whether on or off campus, Helix students demonstrate their enthusiasm and involvement.

# Senior Class Advisors Offer Help and Advice

Norma Basgatt

Ron Ray

Jessica Haynie

Sen or Class Advisors talking things over during a coffee break

The senior class advisors sponsor all of the senior activities. They attend senior board meetings and are ready and willing to assist the senior class. The class of '70 would like to express their sincere thanks for the time and effort spent in making this year a success for the senior class.

Counselors make an effort to meet together in the library

### Senior Class Officers Strive for Success

Jim Dakis President

Despite confusion and friction, this year's senior class officers managed to give Helix the most productive Senior class in years

The number of books Jim and Randy carry represent their aca femic load.

# Chris, Doug Participate in Girls', Boys' State

Chris DeGaetano

I'm Christine De Gaetano and I represented Helix at the twenty-sixth annual Girls' State held at the University of California at Davis from June twenty-third to July second. Girls' State was a unique program of learning about state government and an ideal chance to meet high school students from all over California. I will always remember the enthusiasm, the smiles, and the friendships I beheld at Girls' State 1969.

I'm Doug Kroll and I attended the American Legion's Boys' State program in Sacramento. We acted out the basic steps of setting up a government similar to the federal government of the United States, involving the city, county and state levels. The contact with boys from all over California provided an ideal situation for exchange of ideas and new friendships.

Doug Kroll

The seniors want to make everybody happy? You're kidding

# It's All Happening at the Zoo

MOST LIKELY TO SUCCEED fill Kuykendall and Dean Jacobs would not rather be a mule!

Cee Cee Dye and Bryan Williams find that it takes lots of PERSONALITY as well as nerve to pose in such dangerous territory!

MOST SPIRIT, Linda Sullins and Doug Kroll are constantly monkeying around. Monkey see-monkey do!

Being MOST SCHOLARLY gives Joan Abel and Gunars Valkirs something to squawk about!

### 'Walk Together, Talk Together, O'Ye Peoples of

Enrico Giorgio

"Walk together, talk together, o ye people of the earth; for then and only then, shall ye have peace" This is the INTERNATIONAL CLUB'S motto and they try actively to uphold it. The club works together to bring foreign exchange students to Helix and to send our students to foreign countries. Some of the club's activities this year included the AFS bond drive, a potluck dinner, and a carwash.

My experiences as an AfS-er at Helix are very real and alive! I shall never be able to forget the friends I have gained for the rest of my life. I want to thank all those who helped make this year so successful and happy for me

Margaret Shattock

Through AFS I have spent almost an entire year in the U.S. as an adopted member of a society that I have, for a long time, admired and wanted to be a part of. For me it has been a fascinating year of excitement and challenge. I will always appreciate having this opportunity of a lifetime.

The active members of the International Club

**Gunhild Espleage** 

Traveling and getting to know new countries is something I always enjoy. Coming to America, a completely unknown part of the world for me, meant coming to have a new and exciting experience in my life. I feel that it is great that many people believe in the AFS program to create friendship and understanding between countries

### Benchwarmers and Greenpeppers Create Spirit

This year our SENIOR BENCHWARM-ERS were a very spirited group in their plaid culottes and green vests. They could be seen at every football and basketball game cheering for our team. Even though this is only the second year that this group has been on campus, they are quite a spirited group of senior girls

Our GREEN PEPPERS are the largest spirit group on campus. The members number around 100 lively girls. They take an active part in all school activities. This year, because of their interest, wrestling and cross-country were more of a spectator sport.

### Y-Teens Work Together

This year SENIOR Y-TEENS trick-ortreated for UNICEF, held joints, and sponsored car washes. The Y-teens goal is to grow as a person, to grow in friendship with people of all races, religions, and nationalities, and to grow in the knowledge and love of God. JUNIOR Y-TEENS is open to any junior girl at Helix. Y-teens helps these girls to grow in the love and knowledge of God. A booth at Hoot Mon, World Festival, service projects, and joints are only a small part of the many activities of these spirited Juniors.

### to Serve Others

The SOPHOMORE Y-TEENS' motto is "to help others" The club held many service projects and social functions. A few of these are trick-or-treating for UNICEF and collecting for the blind.

Our Y-teens meet on alternating Wednesday nights at Seminole Center in San Diego. It is a warm and friendly house where everyone is welcome. This is where they plan their various activities throughout the school year.

### 1970 Leading Lassies—Hard Working Senior Girls

This year at Helix sixteen girls were chosen for the honor of being Leading Lassies. They were chosen on the basis of their service to the school and their personalities. Twenty five girls were nominated by the Girl's League Cabinet: Carla Anderson, Peggy Andolsek, Mallia Boulio, Pam Dayhoff, Cee Cee Dye, Chris DeGaetano, Rossayn Eady, Judi Fhrenfried, Wendy Forstrom, Cindy Gardner, Sue Grinolds, Joan Holthusen, Barb Hurst, Ton: Kaiser, Teddy Ketterer, Jill Kuykendall, Molly MacDonald, Chris North, Becky Olson, Lorraine Price, Carla Riggins, Cathie Sander, Joan Smith, Linda Sullins, and Chris Young, These girls sincerely deserve the honor and recognition they are being given. It is girls such as these that help to make Helix a better school. These girls were involved in such extra-curricular activities as Commission Class, Girls' League, Cheerleading, Senior Class officers, A.S.B. officers, Corps, Tartan Staff, Fling Staff, Tennis Team, and Swimming Team. All the Leading Eassies were involved in at least two of these activities, and some of the girls were involved in as many as four

# Pep Band Provides the Background Music

Even the Pep Band gets excited at football games

The Highlander Pep Band has performed for all assemblies, lunch rallies, spirit breakfasts, and sports events that Helix has sponsored during this school year. They put on an annual halftime show, which keeps the Highlander throng amused during the time they wait for the game to begin again. More co-operation between the Pep Band and the cheerleaders has resulted in better entertainment for the Highlanders during any pause in football and basketball games. A final job the Pep Band performs for Helix is the playing of the school hymn. This tradition has been carried on for years and our games would not be the same without the Pep Band

# Piping Is Their Bag

The Bagpipe band, dressed in the costume of the Scottish Highlands, upholds the true Highlander tradition. It was founded in 1951, nineteen years ago. The Bagpipe band works hard and practices long hours to prepare for their performances. The music of bagpipes was heard this year at the Frosh assembly, Homecoming, and various football games.

## Believe it Or Not,

Helix students throughout the years have always complained about the quality of the assemblies at their school. In many cases they are justified in their complaints, but every once in a great while there are some really good assemblies that are the exceptions. # Varsity Harriers Race Their Way To CIF

This year's Cross Country Team was the finest Helix has ever produced. They started off in winning form and remained that way most of the season. After putting in long hours of practice, the team finished with a 6-1 league record. They finished second in league, losing only to Monte Vista by one point, 27-28. The varsity squad also did well in the invitationals by finishing fourth in Mt. Sac and second in the Aztec Invitational. Led by the runner of the year, Ed Mendoza, and with the help of other strong finishers, such as co-captains, Dennis Rogers and Curt Smith, and Robin Schultz, the team ran away from the others in CTF finals. Helix finished with a total of 39 points as compared to second place Mt. Miguel's 76. Congratulations to Coach Muirhead and his varsity harriers for a season well deserved

## Helix Matmen Place Third

Varsity Coach Dick Langston

The ability to endure the pain of a tough match through to the eventual pin paid off as the Varsity wrestlers placed third in league and fifth in C.I.F. As the season progressed the competition became tougher. After two close defeats against Mt. Miguel and Monte Vista, the team went on to defeat El Cajon 35-15 for one of the best dual meets of the year. Leading the matman this year were Mark Whillock, Chris Ehrentraut, Mitch Steinhauer, and Scott Tallman.

#### VARSITY RECORD

Coach Gordon Nash

The Green Machine exploded on the court to bring the CIF championship to Helix for the second consecutive year. The Scots insured themselves of an undefeated season by capturing the CIF crown 70-56 against Chula Vista. The Highlanders concluded the season with a 33-0 CIF record. The team also set new marks in: most points scored in a season-2904, high point average-88, biggest game winning margin-35.8 pts., most points scored in a game-127, longest winning streak-49, largest winning margin-96 pts., most rebounds in a season—1869, and the highest number of team assists in a season-616. The Highlanders were led by Bill Walton who averaged 29 pts. per game which broke the existing record. He was voted as the Grossmont League's M.V.P. and was named to the Covina All Tourney, All League, and All CIF teams. Team captain Mike Dupree came next in scoring honors with a 20 point average. Leading the Highlanders with a 78% free Throw Percentage, Mike also represented Helix on All League, All CIF, and All Tourney teams. Also contributing were: Mike Honz, Most Improved and All Tourney and Second team All League; Randy Madsen, Best Defensive Player; and Butch Paddock, who helped lead a balanced attack.

This year's Varsity Golf team started slowly. It proves to be one of the toughest years the team has had in league play. Due to an April deadline the yearbook was unable to list the team's scores.

This year's varsity swim team got off to a fine start. It is showing great potential of winning league and C.I.F. Due to Tartan deadlines all of the scores could not be recorded. After drowning Patrick Henry 62-33, Mount Miguel 55-38, and El Cap 87-8, the swimmers will meet Monte Vista. The team is led by many fine swimmers such as Mike Nelson, Roger Smith, Kirk Teigan, Rolly Johnson, Randy Geifer and the rest of the squad

Due to TARTAN deadlines we do not know the final records of this year's varsity and JV tennis teams. Dave Shaw and Tim Watenpaugh led the varsity doubles team, along with Arthur Strauss who headed the singles. Continued success to both teams who have started off their seasons with fine records.

Helix Record Opponent The Helix Girls' Tennis Team proved themselves again as they captured their third consecutive league championship. They ended the season with nine wins and no losses in overall competition. With the excellent experience and leadership of Mrs. King, the team remained organized which is one of the strongest qualities of a first place team.

In their winning stances, the team of Wills and Canzoneri await the serve.

Miss Smith got together enthusiastic girls and organized the volleyball team for Helix this year. It is much easier to organize a team with some returning players, than to have to start completely fresh. Miss Smith handled it well, as Helix girls again showed they were best as they finished in a tie for first place. Congratulations and thanks to these girls and Miss Smith.

Girls, as well as guys, are filled with the spirit of a great school. This was exemplified by the volleyball teams this year. They too put in time after school for practice. Many of B team's girls will be playing on A team next year. Their hard work and fine coaching made them a strong third place team. Good luck to these girls and B team next year.

# Swimmers Stroke Out Effort for Splashing Victories

Mrs. Kendall presents the Turtle Trophy to Grossmont, this years losing team in the duel meet

People often complain about practice, but the practice pays off as it did for this year's girls' swim team. Mrs. Kendall's encouragement helped them in winning first place in the district finals. Putting forth another fine effort, they returned the following week to take the county finals against other strong teams in the county. Holding up the team in both the county and district finals was the C Team who took first at both meets. The outstanding C Team girl was Jo Kinnaman who set a new record at county finals. Although some are outstanding, one person cannot do it alone because everyone must work together as a team.

# **School Administration**

BENTON HART—PRINCIPAL

The experiences of the Graduating Class of 1970 have been different from any other class. You have a part of a changing social order. You have questioned the nation of which you are an important member. I hope your educational experiences will help you in meeting the responsibilities and needs you will be expected to assume as the "new generation adult" upon graduation from high school

Your education for life has just begun I wish each graduate success in his ambitions and goals

NORMANIC ROBBINS-VICEPRINCIPAL

These four years you have spent in high school will probably be the most important investment you will ever make. If you wasted your educational opportunities, you squandered your investment and these years will return to haunt you. If you invested well, your high school experience will yield maximum dividends

It gives me great pleasure to wish you every success and offer my congratulations. May your dividend checks be forthcoming

ROBERT L. PYLE VICE PRINCIPAL

Perhaps it's trite, but still so true it bears repeating: "Things sure aren't the way they used to be." Whether you view this truism with nostalgia for the "good old days" or with an anticipation of things to come will determine the personal world you live in—a world bounded by frustration or one unfettered through challenge. Good luck.

As the year comes to an end, Seniors think of graduation, a summer without summer school, the beach, and the future, while underclassmen can only think of three months vacation after which they must return to another year of enslavement.

The end of the year also brings the completion of the 1970 TARTAN. This feat would not be possible without the much appreciated assistance from several special people. First there is the staff itself to whom I express my sincerest thanks, especially to Mallia Boulio for doing the art work and the cover design for this book. Hern Crane also spent a lot of his time helping the photographers before the deadlines. With the much needed assistance from Mrs. Key, we managed to keep our accounts straight Lastly, I'd like to thank Mr. Ray for his patience and understanding at the deadlines for the late pages, and for his assistance with the Photography. Once again, thank-you
